Thank you for your interest in the Ronald McDonald House's Family Meal Program! Our Meal Program supports our mission of providing a "home away from home" for our families by regularly providing meals at the House. To volunteer for the Family Meal Program, you may choose between preparing and serving Family Dinners, Weekend Brunches, and Lunches-2-Go. To sign up to provide a meal, review the following guidelines and reference our [Calendar of Available Dates](#) on our website. Once you select an available date, please see specific guidelines for the program you choose, and submit the Meal Request Form found on our [website](#).

Program Overview

- All meals must be fully prepared at The Ronald McDonald House in order to maintain proper health & safety guidelines.
- All volunteers must assist with the cooking/serving process while at the House.

Everyone participating in the Meal Program must be in good health and infection free. Anyone exhibiting cold or flu-like symptoms cannot enter the House.

- Please plan to serve 60 individuals for Dinner, 40 individuals for Brunch, and 50 individuals for Lunch.
- A staff member or volunteer will request to take a photo of your group to share on the RMHC Milwaukee Facebook page and/or website, so please notify them if you wish to not have your picture taken.
